

Recommendations for the new Scholarships to be offered through Breath4CF

In recognition of the success of the Breath4CF campaign, the Cystic Fibrosis Association of New Zealand will offer 2 scholarships valued at up to \$1500, over and above the \$300 entitlement currently offered to all PWCF. Also, a one-off Outward Bound Scholarship will be offered each year of \$1500.

These grants are intended for PWCF who have attained the 'next level' in their chosen sport or activity. The grant recognises the extra costs that sometimes accompany competing at a higher level.

The Outward Bound Scholarship may be applied to any Outward Bound Course run in the year following the grant but it is recommended that PWCF consider carefully, their own health needs in assessing which course is right for them.

1. The amount of the grant shall be no more than \$1500.00 per person
2. The fund roll out 3 close off dates for consideration in each financial year; April 30th, July 31st and November 30th.
3. The Outward Bound Scholarship to be offered at the July 31st cut off date.
4. All applications received in each period will be considered by the Support and Admin Manager and the Adult Rep on the Board. One award to be made in each period.
5. Applicants to fully complete the application form, giving a history of the activity, references and full info about what they want to do. (See attached)
